

Supply List for 8th Grade 2008-2009

The following materials will be needed throughout the school year. Please bring them to school on the first day, or soon thereafter.

- **Pencils** – Lots
- **Pens** –Blue or black ink only, buy a pack. Get a red one for editing and corrections
- **Hi-Liter Pens** – 3, any color.
- **Paper** – College (or narrow) rule binder paper, several packs,
- **Graph Paper** - 1/4 inch grid graph paper (4 squares to the inch), three hole punched. Two hundred sheets if you are taking Algebra
- **Index Cards** – Pack of 3x5 or 4x6 cards for research projects.
- **Binders** – Get **two** 1 inch binders, with 2 sets of five separators (not a 2 inch binder)
- **Pencil case** –flexible plastic or cloth **case** that can fit in binder
- **Folders** – Buy 10 three hole tagboard folders
- **Calculator** –Texas Instruments TI 30XIIS or TI34II Solar Scientific calculator, or a Casio version. It needs to be a scientific calculator and will last until you need a graphing calculator in high school. **Save the directions.**
- **Dictionary** – To keep at **home**. I recommend the paperback American Heritage Dictionary, \$6.50 last year, has the origins of most of the words. Whatever dictionary you buy **must** have word origins (also known as etymology) – the little italicized notes at the end of the definition that tell you whether the word derives from Ancient Norse or Early Modern Arabic or Old Sanskrit.
- **3 Note books** – 3 hole punched.

\$5. This will be used to buy scissors, 3 dry erase pens, and a ruler all which will be kept at school. We can get these in bulk. To buy these on your own you would need to spend substantially more than \$5.

Optional: **Pencil Sharpener** – and **Water Bottle** – Small, refillable, leak-proof

**Please Put Your Name on All Your Supplies
With A Permanent Marker!!!**
