To: New first graders and their families,

I have just returned from a sun filled vacation in Florida. I had lots of beach time, reading time, walking and playing time. What a wonderful holiday!

I have been thinking a lot about our year together. So many of you have had older siblings in my class. You came in to class as infants and toddlers. What fun to get to spend time with old friends. We will be exploring the first grade world together. Cooperating and working as a group. In this way, everyone can shine.

Ciaria's parents are organizing our August get together. I am sure there will be more on this soon. Next week is AUGUST.

Look for the supply list on our NCSA web page.

Love:

*Ms. Coral*
