

Welcome to the Dragonfly Class!

We are so excited to have your family be part of our NCSA community.

Dragonfly Class has two wonderful teachers, Marin Saenz and Lenka Vodicka. We are a multi-age kindergarten and first grade class. We will explore curriculum featuring *The Animal Kingdom*. School days are Monday-Friday from 8:30-12:30 for kindergarten, and 8:30-2:30 for first graders. On Fridays, the entire school finishes at 12:30. This year we will have language arts, math, movement, music classes, art, handwork, and more!

The Dragonfly Class is a dynamic program that adapts for each individual class. We look forward to meeting with all of you to create a unforgettable school experience for your child.

Here are your important dates:

*Monday, August 16 at 4pm: **Play at Pioneer Park.*** Gather at playground to meet everyone before school begins.

*Tuesday, August 17 at 2pm: **Kindergarten Scavenger Hunt.*** Kindergarten students, come explore the school before the first day!

*Wednesday, August 18: **First Day of School!*** Bring a flower for our class bouquet. Marin and Lenka will BOTH teach all week to help students get a strong start to the school year.

Finally, a question for you to think about:
What do you miss most about being six and seven years old?

We look forward to seeing you soon and celebrating learning together!
Best wishes, Lenka and Marin
