

2nd Grade Supply List!

Everyone should bring in...

- ❖ 4+ glue sticks (please Glue Sticks only!) We will share through the year
- ❖ 1 or more scotch tape rolls (to share with everyone), we will collect this at the beginning of the year to get us through the entire year!
- ❖ one large eraser for sharing.
- ❖ A ream of **unlined** paper for all the millions of creative things they love to make!
- ❖ A pencil sharpener to share with the group/big and small hole please, if you can spend the extra cents now they will last. The inexpensive pack of four don't sharpen more than one pencil.
- ❖ A backpack that will fit into a cubby (no wheels please) Not necessary to have a backpack...just no wheels if you do send in a pack.
- ❖ A sketchbook (a collection of blank pages) for daily sketching. PLEASE make sure that it does not have perforated pages, ringed is wonderful so they can fold it back.
- ❖ If you can send in stickers for me to use on corrected papers or for prizes that would be an added bonus.
- ❖ A box of band-aids

Please no bulky binders, pencil boxes or toys to start the year. Each student may bring in one small “stuffy” to keep in the cubby but nothing else please. Our space is small for us to fit into and the added items often create distractions. This year we will be sharing our things to help us work on the respect of materials. I will have a “caddy” at each table group rather than individual pencil boxes, which will hold a number of pencils, erasers, tape, sharpeners, and glue sticks.

Please send me your email address so that I can start a class list of emails now! I find email very helpful for Monday Notes and other information that needs to get out quickly.

I am looking forward to working with all of you!

Sincerely,

Angie Maxson
